RE: Hackberry Zone, Reservoir F  
Beckwith Creek Field  
Calcasieu Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **ZACHRY EXPLORATION, LTD.** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters in the **Hackberry Zone, Reservoir F**, in the Beckwith Creek Field, Calcasieu Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate, such unit to be designated HBY RF SUA;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within each of the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate a unit well for the proposed unit;
4. To designate Zachry Exploration, Ltd. as the unit operator for the proposed unit;

5. To provide that any future wells drilled to the Hackberry Zone, Reservoir F, within or outside of the proposed unit, should be located in accordance with the spacing provisions of Statewide Order No. 29-E;
6. To provide that the Commissioner of Conservation should be authorized to reclassify this reservoir, by supplemental order without the necessity of a public hearing, if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hackberry Sand in the Beckwith Creek Field was previously defined in Office of Conservation Order No. 975-G, effective April 29, 2003.

No conference to discuss the proposed application was held, as none was requested within the delays provided for by the Rules of Procedure; therefore, no opposition to this Application at the hearing is anticipated.
